ADDRESS UPDATES

If you are a new student or scholar and didn’t have an address at check-in OR if you have recently moved, you MUST update your address with the ISS Office; failure to do so could result in termination of your SEVIS record! Update your address in SEVIS first, then update with OSU and Web for Employees (if working).

- To update your address in SEVIS, please complete the online form.
- To update your address with OSU, click here to log in to SIS (Student Self-Service).
- If you are an OSU Employee, update your address with Human Resources here (Web for Employees).
