SEVIS OUTAGE

IMPORTANT!! The SEVIS system will be out of service on June 26, 27, and 28. It is not recommended that you travel during this time, because the immigration officers will not be able to see your information in the SEVIS system.

If you will travel on these days, you must have plenty of documentation to verify your status! Take as much documentation with you as you can (enrollment letter, transcripts, assistantship offer letter, invitation letter from supervisor [for scholars], etc.), so you can prove your status to the immigration officer when you re-enter the U.S.
