Lost I-20 or DS-2019?
Do you think you’ve lost your I-20 or DS-2019?

It’s best that you look as hard as you can to find it! If the ISS Office has to print off a new I-20 or DS-2019 because you lost yours, a notation in SEVIS has to be made that the document is “Lost”. This does not look good! If your I-20 or DS-2019 is, in fact, lost, we will print you another one. If you’re traveling, be prepared to explain to an immigration officer what happened to your old I-20 or DS-2019.

So, keep track of your immigration documents. Keep them all together and know where they are at all times.
