Tax Treaty Instructions

For new students who are from one of the countries that has an income tax treaty with the U.S., remember that you must login to Glacier after you receive your Social Security Number (SSN). Login in to your Glacier record at www.online-tax.net. If you forgot your login information, there is a link to click that will send you an email. You will then input your SSN, passport number, a description of your services, and an estimate of your income for the year. For the description of your services, you may use the following phrase: “Student working part time on campus in the Department of _____.”

You must also print and sign Form 8233 and “Treaty Attachment” and bring them to Trisha Iyonsi in the ISS office. If you need help with this process you can email Trisha at trisha.iyonsi@okstate.edu or make an appointment to see her.
